No. 351 of 1947.
Office of the Deputy Engineer,
Dharwar Minor Irrigation Sub Division,
Dharwar, the 15-16 December 1947.

From:-

G.M. Vaidya, B.E.
Deputy Engineer (on probation),
Dharwar Minor Irrigation
Division,
DHARWAR.

To

The Secretary to the Government of Bombay,
Public Works Department,
BOMBAY.

Subject:- Date of appointment as Deputy Engineer (on probation) in B.S.E. Clause II.

Sir,

It is seen from the Government Resolution P.W.D. No. 6775/36-III dated 30-5-47 that my appointment as Deputy Engineer (on probation) in B.S.E. Clause II is made from 17-12-46 B.N. I have actually joined duties as Candidate in B.S.E. Clause II on 15-12-46 B.N. and therefore the date of appointment as Deputy Engineer (on probation) should be 15-12-46 B.N. As there does not appear to be any particular reason for postponing the appointment just by two days, I presume that the mistake - if at all a mistake - has crept in through oversight. If so it may kindly be corrected. If it is now too late to effect the correction, the fact may please be taken into consideration at the time of fixing the date of confirmation.

Your obedient servant,

Deputy Engineer,
Dharwar Minor Irrigation Sub Dn.

Subject:- Appointments to the Bombay Service of Engineers Class II, 1945.

Reference: Your endorsement No.889 dated the 15th March 1948.

Mr. G.M.Vaidya has been working under me since the 25th July 1947 as Deputy Engineer in charge of the Dharwar Minor Irrigation Sub-Division. Although clever and technically well up, he is somewhat wanting in application, industry and accuracy. Consequently he has not been of as much assistance to me as I would have desired. His conduct is good.

Although I do not consider the abovementioned defects such as to stand in the way of his confirmation still it seems necessary to bring them to his notice and to ask him to remedy them before the next qualification report becomes due by the end of June 1948.

Copy forwarded, with compliments.

2. I agree with the opinion of the Executive Engineer that the defects pointed out are remediable and should be brought to ~~the~~ Mr.Vaidya's notice. They need not, however, stand in the way of his confirmation.

This has reference to Govt: letter No. 6775/36-F(1) dated 11.3.48.

Mr. G.M.Vaidya, was appointed a Dy.Engr. on probation with effect from the 17-12-46 B.N. vide G.R.No.6775/36 dated the 30-5-47. Mr.Vaidya has since represented that he joined his apptt.as candidate in the B.S.E.Class II on the 15-12-45. He will therefore complete his year's period of candidate-ship on the 14-12-46. The draft Corrigendum put up may accordingly issue, if approved.

2. Messrs. G.M.Vaidya and P.A.Raj who were appointed Dy.Engrs.on probation and posted to the C.C.and the S.C. for their second year's training were subsequently placed at the disposal of the Agricultural Commr. for employment as S.D.Os.on Minor Irrign. Works. The Ex.Engr.,Kanara Dn. and the Director of Agricultural Engrg.,Poona, have reported Mr. Raj fit for confirmation in the B.S.E.Class II. The Ex.Engr.,Dharwar Minor Irrign Dn. and the Director of Agricultural Engrg. both agree that Mr.Vaidya may be confirmed in the B.S.E.Class II. They are however of the opinion that he is somewhat wanting in application,industry and accuracy,which defects should,it is stated,be brought to his notice.It is accordingly for orders whether Messrs.Raj and Vaidya may be confirmed in the B.S.E.,Class II and the defects pointed out in respect of Mr.Vaidya brought to the latter's notice. On receipt of orders necy. further action will be taken.
